Projects

super hero resume [Live Demo Link](#) [Github Repo Link](#)

- Developed a superhero resume web page using HTML and CSS.
- Created an attractive and user-friendly design for the web page.

Experience

Mahadev Hyundai Motors pvt. limited | Diploma Engineer Trainee

June 2021 - July 2021 (1 month)

- Conducted comprehensive major and minor faults checkups manually and via G-scan software at Mahadev Hyundai Motors Pvt. Ltd. in Faridabad.
- Performed meticulous dent inspections, assessed clutch plates, brake pads, and brake wheels during general car checkups.
- Executed thorough examinations of engine oil, oil filters, and battery health, promptly identifying and recommending services as needed.
- Verified wheel alignment and balanced wheels to ensure optimal vehicle performance.
- Documented detailed service requirements for each car, assigned repair tasks to designated technicians, and meticulously inspected completed services for correctness.
- Recorded in and out timings of serviced cars, ensuring accurate documentation and tracking through the designated online application.
